

## **Shwachman Diamond Syndrome Foundation Research Grant**

P. O. Box 40, Avon, NY 14414

Tel 1-888-825 SDSF (7373)

E-mail: info@shwachman-diamond.org

Maximum Amount \$35,000

Firm Deadline for Receipt of Applications: May 15th

Eligibility: Persons applying for these grants must be in a faculty position with authority to hold an independent research grant (not a training position).

Terms of Support: Support may be provided for up to two (2) years in an amount not to exceed \$35,000 per year which shall include Indirect costs that are permitted and are not to exceed 10% of the total costs. The second year funding will not be released until a Progress Report has been reviewed and approved by the MSAB. This Progress Report is due 45 days before the renewal date (Progress Report due October 1st for grant with November 15th anniversary), and should be no longer than one page, single-spaced. The SDSF will provide preference to those applications in which funds are used for supplies, equipment, technicians and other expenses and not for support of the salary of the PI or co-PIs.

Review: All applications will be reviewed by the Shwachman Diamond Syndrome Medical and Scientific Advisory Board (MSAB) or its designees.

Application: The application contains two sections.

Section 1, forms attached. The applicant and co-applicants must also include a current curriculum vitae in the form of an NIH biosketch with section 1 of the application.

Section 2: Research Plan, divided as indicated below. Parts A through D should not exceed 10 pages, using a font no smaller than 10 point.

Part A. Specific aims

Part B. Significance and background

Part C. Preliminary studies

Part D. Experimental design and methods

Part E. References (not included in the 10 page limit)

Part F. Relevance of the research to Shwachman-Diamond Syndrome

Part G. Career objectives (one page)

Part H. Appendix (optional) containing up to 10 publications, manuscripts, patents, or other materials directly relevant to this project

Part I. For junior faculty (up to Assistant Professor), three letters of reference in sealed envelopes attached to front of original application (one letter must be from applicant's collaborator/mentor including a current NIH biosketch). For all others, reference letters are not necessary.

Part J. Separate letter from supervisor or department head confirming commitment to project, and to provision of space and facilities

Part K. If human subjects are involved, a letter from the institutional review board overseeing human studies.

Part L. If animals are involved, a letter from the institutional review board overseeing animal studies.

Submission: electronic to [info@shwachman-diamond.org](mailto:info@shwachman-diamond.org) or mail to address at end of application

## **BUDGET**

Please list below a budget by categories for the first and second years of support. The review committee will carefully consider the appropriateness of your budget. It must be well defined, justified, and realistic to complete the work proposed. Two columns are provided for each year. The first column defines the total expenses that are expected to be necessary to realistically complete the project. The second column indicates the expenses requested from the SDSF. Applicants **will not** be penalized in funding considerations for requiring additional funds beyond what is requested from the Foundation; however, the true costs of the project must be acknowledged.[This and the section on page 1 re: Other Funding need to be consistent]
